Three Legacies of Alcoholics Anonymous

AA's Twelve Steps are principles for personal recovery. The Twelve Traditions ensure the unity of the Fellowship. The Twelve Concepts for World Service provide a group of related principles to help ensure that various elements of AA's service structure remain responsive and responsible to those they serve.

Step Five: "Admitted to God, to ourselves, and to another human being the exact nature of our wrongs."

Tradition Five: "Each group has but one primary purpose—to carry its message to the alcoholic who still suffers."

Concept Five: "Throughout our structure, a traditional "Right of Appeal" ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration."
