Dear Miss B

We are late as usual. I will try & get some more money soon. as I see you need it. We have just spent many hundreds of dollars on our Club rooms. in fact we made it look like Bonsters Club; & Drinks coming on of Bull Penn do not feel at home at first. but they soon get over it we are doing fine. have the cooperation of the City & County officials.

We have 89 members. I am busy as nobody wants it. in fact I give more than half of my time to the work we had Betty Henderson with us. Wee ago. had over 130 people.

With best wishes to you & all at yr
Yours Sincerely
John F. (Gace) K
