“Regardless of worldly success or failure, regardless of pain or joy, regardless of sickness or health or even of death itself, a new life of endless possibilities can be lived if we are willing to continue our awakening, through the practice of AA’s Twelve Steps.”

“Our Serenity Prayer ... brings a new light to us that can dissipate our old-time and nearly fatal habit of fooling ourselves.”

“Up to now AA seems to have taken the right turning at each new crossroad. This could scarcely have been our doing alone. Our Fellowship has afforded a convincing proof of that wise old adage which declares that ‘man’s extremity is God’s opportunity.’”

AA Co-Founder, Bill W., *“The Language of the Heart”*
