This was read by Lois Wilson at the annual dinner given by the New York Intergroup Association in honor of Bill's 36th anniversary—October 10, 1970.

My dear friends,

Recently an A.A. member sent me an unusual greeting which I would like to extend to you. He told me it was an ancient Arabian salutation. Perhaps we have no Arabian groups, but it still seems a fitting expression of how I feel for each of you. It says, "I salute you and thank you for your life."

My thoughts are much occupied these days with gratitude to our Fellowship and for the myriad blessings bestowed upon us by God's Grace.

If I were asked which of these blessings I felt was most responsible for our growth as a fellowship and most vital to our continuity, I would say, the "Concept of Anonymity."

Anonymity has two attributes essential to our individual and collective survival; the spiritual and the practical.

On the spiritual level, anonymity demands the greatest discipline of which we are capable; on the practical level, anonymity has brought protection for the newcomer, respect and support of the world outside, and security from those of us who would use A.A. for sick and selfish purposes.

A.A. must and will continue to change with the passing years. We cannot, nor should we, turn back the clock. However, I deeply believe that the principle of anonymity must remain our primary and enduring safeguard. As long as we accept our sobriety in our traditional spirit of anonymity we will continue to receive God's Grace.

And so—once more, I salute you in that spirit and again I thank you *for your lives*.

May God bless us all now, and forever.

Lois

Central Florida Intergroup thanks each of you for your support in 2021. We thank you for your lives.

Three Legacies of AA

AA's Twelve Steps are principles for personal recovery. The Twelve Traditions ensure the unity of the Fellowship. The Twelve Concepts for World Service provide a group of related principles to help ensure that various elements of A.A.'s service structure remain responsive and responsible to those they serve. **Step One:** "We admitted we were powerless over alcohol - that our lives had become unmanageable." **Tradition One:** "Our common welfare should come first; personal recovery depends upon A.A. unity." **Concept One:** "The final responsibility and the ultimate authority for A.A. World services should always reside in the collective conscience of our whole Fellowship."
