AA's Twelve Steps are principles for personal recovery. The Twelve Traditions ensure the unity of the Fellowship. The Twelve Concepts for World Service provide a group of related principles to help ensure that various elements of A.A.'s service structure remain responsive and responsible to those they serve. **Step Ten:** "Continued to take personal inventory and when we were wrong promptly admitted it." **Tradition Ten:** "Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy." **Concept Ten:** "Every service responsibility should be matched by an equal service authority; the scope of such authority to be always well defined whether by tradition, by resolution, by specific job description, or by appropriate charters and bylaws."
