“I try hard to hold fast to the truth that a full and thankful heart cannot entertain great conceits.

When brimming with gratitude, one's heartbeat must surely result in outgoing love, the finest emotion that we can ever know.”

AA's Twelve Steps are principles for personal recovery. The Twelve Traditions ensure the unity of the Fellowship. The Twelve Concepts for World Service provide a group of related principles to help ensure that various elements of A.A.'s service structure remain responsive and responsible to those they serve. **Step 11:** Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films. **Concept 11:** The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.
