## *With gratitude ...*

November as Gratitude Month - Was first officially recognized in 1956. As Bill W. urged in a letter, "Gratitude should go forward, rather than backward....if you carry the message to still others, you will be making the best possible repayment for the help given to you." One of the most satisfying things we receive in Alcoholics Anonymous is humble gratitude that slowly fills our hearts as we continue, day-by-day, to live our program of recovery. Our return is rich. The seed we have planted is small -- merely a willingness to be helped and in turn to help others. Our useless lives become useful. Our fears give way to serenity. Confusion is replaced with purpose. Wishes become actions. Existence becomes a daily adventure in living. Service gives each of us a tangible outlet to show the gratitude welling up in our hearts for the good life we are enjoying.

For the volunteers who made Our Gratitude Banquet possible, it represents endless hours of service for Alcoholics Anonymous. To those individuals, please accept our heartfelt appreciation. On behalf of each and every one of us who benefit from Alcoholics Anonymous and the service of others, thank you for a fantastic evening and supporting our Central Florida Intergroup. . . . Thank you!

### Three Legacies of Alcoholics Anonymous

AA's Twelve Steps are principles for personal recovery. The Twelve Traditions ensure the unity of the Fellowship. The Twelve Concepts for World Service provide a group of related principles to help ensure that various elements of A.A.'s service structure remain responsive and responsible to those they serve. **Step Twelve:** "Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics and to practice these principles in all our affairs." **Tradition Twelve:** "Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities." **Concept Twelve:** General Warranties of the Conference: In all the proceedings, the General Service Conference shall observe the spirit of the A.A. Tradition, taking great care that the Conference never becomes the seat of perilous wealth or power; that sufficient operating funds plus an ample reserve, be its prudent financial principle; that none of the Conference members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by discussion, vote, and whenever possible, by substantial unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that, though the Conference may act for the service of Alcoholics Anonymous, it shall never perform any acts of government; and that, like the Society of Alcoholics Anonymous which it serves, the Conference itself will always remain democratic in thought and action."
