AA's Twelve Steps are principles for personal recovery. The Twelve Traditions ensure the unity of the Fellowship. The Twelve Concepts for World Service provide a group of related principles to help ensure that various elements of A.A.'s service structure remain responsive and responsible to those they serve. **Step Two:** "Came to believe that a Power greater than ourselves could restore us to sanity." **Tradition Two:** "For our group purpose there is but one ultimate authority a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern." **Concept Two:** "When, in 1955, the A.A. groups confirmed the permanent charter for their General Service Conference, they thereby delegated to the Conference complete authority for the active maintenance of our world services and thereby made the Conference excepting for any change in the Twelve Traditions or in Article 12 of the Conference Charter the actual voice and the effective conscience for our whole Society."
