AA's Twelve Steps are principles for personal recovery. The Twelve Traditions ensure the unity of the Fellowship. The Twelve Concepts for World Service provide a group of related principles to help ensure that various elements of A.A.'s service structure remain responsive and responsible to those they serve. **Step Four:** "Made a searching and fearless moral inventory of ourselves" **Tradition Four:** "Each group should be autonomous except in matters affecting other groups or A.A. as a whole." **Concept Four:** "Throughout our Conference structure, we ought to maintain at all responsible levels a traditional Right of Participation, taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge."
