AA's Twelve Steps are principles for personal recovery. The **Twelve Traditions** ensure the unity of the Fellowship. The **Twelve Concepts** for World Service provide a group of related principles to help ensure that various elements of A.A.'s service structure remain responsive and responsible to those they serve. **Step Six:** "Were entirely ready to have God remove all these defects of character." **Tradition Six:** "An A.A. group ought never endorse, finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose." **Concept Six:** "On behalf of A.A. as a whole, our General Service Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the trustee members of the Conference when they act among themselves as the General Service Board of Alcoholics Anonymous."
