Convention tales:

I've been to every convention since I got sober except for San Diego. I tell people I will always plan to attend the next one. I plan to be at St. Louis in 2030, universe willing. There are tons of volunteer opportunities to "help me feel part of" as well as feeling the spiritual experience just being around the loving fellowship. People travel from all over the world attend and the energy and vitality of Alcoholics Anonymous is on full display. Perhaps you've gotten chills when reciting the serenity prayer, imagine saying it within a 50,000 seat stadium packed full of people. The best is meeting up with people I haven't seen in years and having little meetings with people while relaxing or travelling on the public transit systems.

Do you have a story?

Share it with the 2025 International Convention desk by emailing 2025ic@aa.org.

Three Legacies

AA's Twelve Steps are principles for personal recovery. **The Twelve Traditions** ensure the unity of the Fellowship. **The Twelve Concepts** for World Service provide a group of related principles to help ensure that various elements of A.A.'s service structure remain responsive and responsible to those they serve. **Step Three:** "Made a decision to turn our will and our lives over to the care of God as we understood Him..." **Tradition Three:** "The only requirement for A.A. membership is a desire to stop drinking." **Concept Three:** "As a traditional means of creating and maintaining a clearly defined working relation between the groups, the Conference, the A.A. General Service Board and its several service corporations, staffs, committees, and executives, and of thus insuring their effective leadership, it is here suggested that we endow each of these elements of world service with a traditional "Right of Decision."
