2026 Founders' Day Long Timers Panel Recap

The 91st Founders' Day Long Timer's Panel celebration in Central Florida was a great success. Hosted by Central Florida Intergroup, the event was attended by approximately 100 people. In all, the attendees had 1863 years of sobriety! We were honored to have 16 long timers with 40 or more years of continuous sobriety. Most of our long timers gave a brief share, and the overall theme was that AA works!

We had lots of great food, fun and fellowship. The Sobriety Countdown was a highlight, with an alcoholic with 50 years of sobriety presenting a new Big Book to a newcomer who is just beginning his journey.

Thanks to all who attended, and especially the family members, the Alanon members, the members of the Jaywalkers Group, and all the awesome volunteers who helped to make it a great event!

Central Florida Group Support Request for

68th Florida State Convention in Orlando

If you've been to a convention in previous years, you know that the Hospitality Room features snacks for the fellowship during the convention. This year's convention will have coffee in the hospitality room around the clock, but we're in need of group contributions for the snacks.

Snack contributions need to be individually packaged, single-serve such as nuts, trail mix, granola bars, breakfast bars, chips, candy, cookies, string cheese, muffins, (we will not provide plates or utensils).

If your group can contribute and deliver snacks for 30 or more people, please email the Chair at ChairRMPG@gmail.com. Thank you for your support.

Three Legacies of Alcoholics Anonymous

AA's Twelve Steps are principles for personal recovery. The Twelve Traditions ensure the unity of the Fellowship. The Twelve Concepts for World Service provide a group of related principles to help ensure that various elements of AA's service structure remain responsive and responsible to those they serve.

Step Seven: "Humbly asked Him to remove our shortcomings."

Tradition Seven: "Every A.A. group ought to be fully self-supporting, declining outside contributions."

Concept Seven: "The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness."
